

"The Kissing Hand" and School Days Vocabulary

August 26 - 30, 2013

This week we are reading the books The Kissing Hand by Audrey Penn, Hurray for Pre-K by Ellen B. Senisi, and other beginning school books. These are our high frequency vocabulary words. Please practice these words with your child as often as possible, during the unit. After the completion of the unit, please continue to build this vocabulary by incorporating it into your times together, as often as appropriately possible. This reinforcement of the vocabulary words they are learning will help them begin to use them in their own communication. Also, if you can, check out this book at the public library and read it to your child at night.
