

"All About Me" Unit Vocabulary

September 2 - 6, 2013

For this next unit we will be learning about ourselves and our families. We will be reading a variety of books including Thank You For Me! By Marion Dane Bauer, What Do You Like? By Mickael Grejniec, and many others. These are our high frequency vocabulary words. Please practice these words with your child as often as possible during the unit. After the completion of the unit, please continue to build this vocabulary by incorporating it into your times together, as often as appropriately possible. This reinforcement of the vocabulary words they are learning will help them begin to use them in their own communication. We encourage you to read with your child every night this week and discuss books themselves and families!
