

# "The Very Hungry Caterpillar" Vocabulary

September 9 - 13, 2013

This next week we will be reading the book The Very Hungry Caterpillar by Eric Carle! These are our high frequency vocabulary words. Please practice these words with your child as often as possible, during the unit. After the completion of the unit, please continue to build this vocabulary by incorporating it into your times together, as often as appropriately possible. This reinforcement of the vocabulary words they are learning will help them begin to use them in their own communication. Also, if you can, check out this book at the public library and read it to your child at night!
