

"Brown Bear, Brown Bear, What Do You See?" Unit Vocabulary

September 23 - 27, 2013

This next week we will be learning about bears (and other animals), colors, and *putting adjectives and nouns together!* We will be reading Brown Bear, Brown Bear, What Do You See? by Bill Martin and Eric Carle. These are our high frequency vocabulary words. Please practice these words with your child as often as possible, during the unit. After the completion of the unit, please continue to build this vocabulary by incorporating it into your times together, as often as appropriately possible. This reinforcement of the vocabulary words they are learning will help them begin to use them in their own communication. Also, if you can, check out these books at the public library and read them to your child at night.
