

Apples and Pumpkins Unit Vocabulary

October 14 - 25, 2013

For this next unit we will be learning about Apples and Pumpkins! We will be reading a variety of books including Ten Apples Up On Top by Theo LeSieg, Ten Red Apples by Pat Hutchins, Apples and Pumpkins by Anne Rockwell, Picking Apples and Pumpkins by Amy and Richard Hutchings, and many others. These are our high frequency vocabulary words. Please practice these words with your child as often as possible during the unit. After the completion of the unit, please continue to build this vocabulary by incorporating it into your times together, as often as appropriately possible. This reinforcement of the vocabulary words they are learning will help them begin to use them in their own communication. We encourage you to read with your child every night this week and discuss apples and pumpkins!
